Other attendees will be Hunter, Waterman, Bosworth, and a qualified individual to write up product. CIA will be happy to provide the latter.

3. As soon as I hear from you that you agree to the above, I suggest we commence calling those to be invited. An agenda from Bob Hunter should be available for our agreement and distribution as of 21 November. Perhaps we should plan to get together on that date.

4. FYI--I described this project to the DCI, who supports it.
